### What has happened at Sharow This week

#### **Schools Cricket Day – Supporting the Women's World Cup**

On Thursday, we were delighted to welcome Tm Bates from the Yorkshire Cricket Foundation, who delivered exciting cricket sessions for our pupils. The visit helped us promote Schools' Cricket Day on 23rd April, held in support of the Women's Cricket World Cup. Pupils had a fantastic time developing their cricket skills, learning more about the game, and enjoying being active together. If your child particularly enjoyed the cricket sessions and would be interested in continuing, please see the posters at the bottom of the newsletter for information on how to get involved and join local opportunities.

#### **Purple Up Day Celebration**

Today we proudly celebrated Purple Up Day, showing our support for military children by wearing purple and standing together as a school community. Purple Up Day is part of April's Month of the Military Child, a time dedicated to recognising the important role these

children play and the unique challenges they face. Military children show incredible strength, courage, and resilience as they adapt to frequent moves, new schools, and time apart from loved ones. Today's celebration was a meaningful opportunity to thank them, raise awareness, and remind them that they are seen, valued, and supported every day.

## School Information

### 🌱 Help Us Grow Our Forest School!

Our school is part of the Tesco Stronger Starts vote! With your help, we can restore and improve our Forest School so every child can learn, explore, and enjoy nature.

#### How to Vote

From Tuesday 28th April 2026 to the end of July 2026, make any purchase in a participating Tesco store to receive a blue token. Pop your token in our box to support our project! Every token brings us closer to creating a more inspiring Forest School for our children. Thank you for your support!

### 👤🔍 Fancy Digging into Ripon's History? 🤝🔍

RHATs and FOHW are hosting an exciting community archaeology dig at Hell Wath from 21–23 May, running daily from 10am–3pm.

Whether you'd like to get hands-on with digging, watch the experts at work, learn something new, or simply stop by for a chat, everyone is welcome. A family-friendly session will take place on Saturday, making it a great opportunity for all ages to get involved.

To help with planning, please make sure you sign up in advance 🙌

### Parent/Carer Information Session – Online Safety

*Delivered by Knowsley City Learning Centres*

Parents and carers are invited to attend a virtual information session on Wednesday 6th May 2026, from 4.00–4.45pm.

Focus: A guide to social media and livestreaming

This session will explore current and emerging trends within social media and livestreaming. It will highlight potential risks and threats for children and young people, while helping parents and carers to develop their understanding of these platforms and the practical steps that can be taken to support children's safety online.

The session will be delivered online. The access link will be sent one week before the event. As a reminder, this session (along with all Knowsley City Learning Centres virtual sessions) will be recorded and made available afterwards for those unable to attend live.

We hope parents and carers will be able to join this informative and supportive session.

### 🏆 Out-of-School Achievements

We are delighted to share some wonderful achievements from Clara. Last weekend, she successfully gained her 25 metres front crawl, and during the Easter holidays she also earned her Flocon badge at the French Ski School.

We'd love to celebrate your child's successes outside school!
