10 <sup>th</sup> July	EYFS & KS1	Mini Magic Flute Performance
14 <sup>th</sup> July		Year 5 & 6 performance

### What has happened at Sharow This week

#### Sports Week Fun!

It's been an exciting Sports Week packed with a wide range of activities for everyone to enjoy!

Everyone took part in the SI Inflatable Challenge with Mr Harris, tackling the inflatable assault course with enthusiasm and energy. There was also a fantastic Set the Tone Fitness session with Stu, as well as opportunities to play cricket and enjoy some calming mindfulness colouring.

We were delighted to welcome the North Yorkshire Rotters, who ran an engaging workshop on reducing food waste and composting. During the Jenny Ruth workshop, paints and paintbrushes were set out ready for a creative session.

EYFS & KS1 enjoyed balance bike sessions, while Year 6's took part in Bikeability training. There were also visits from the dentist and a thoughtful session exploring what it's like to be elderly. Our family group sessions brought everyone together for shared activities.

If you would like to see what has happened on each day, please head to our [Facebook Page!](#)

### What to look forward to

## **FOSS Extraordinary General Meeting (EGM)**

 Friday 5th June, 2pm

 Sharow Primary School (meet at school gates at 2pm)

FOSS is holding an EGM to agree a new constitution and vote in new committee members. It is open to everyone in the school community. There will be biscuits!

Lend a Hand, Make a Difference!

FOSS needs help to run our fun school events—no long-term commitment required! Just a little of your time helps create amazing experiences for our children and raises vital funds to support our school.

If you can help, please come along to the meeting or email [fosssharrow@gmail.com](mailto:fosssharrow@gmail.com)—our kids (and school) will thank you!

## **Stay and Play – Families Welcome**

Families are invited to our Stay and Play sessions, where parents and carers stay with children of any age to play and explore alongside our Early Years team.

Dates: 11th June | 3rd July

Time: 9:00–10:00am

We look forward to welcoming you – please share this information widely with friends and family.

## **School Information**

### **Sun Safety and Sunscreen in School**

As the weather becomes warmer, we would like to remind families about our approach to sun safety and the use of sunscreen in school.

We are committed to helping children stay safe in the sun and reducing the risk of skin damage caused by harmful UV rays. Throughout the school day, children are encouraged to take simple precautions such as seeking shade, drinking plenty of water, and wearing suitable clothing and hats when outdoors.

Sunscreen can provide additional protection, particularly during sunny weather or for outdoor activities. If your child needs to use sunscreen in school, we ask parents and carers to support us in the following ways:

- Please provide a suitable sunscreen (SPF 30+ or higher is recommended).
- Ensure the bottle is clearly labelled with your child's name.
- Check and replenish supplies regularly.
- Provide non-aerosol products only.

Children in most year groups are expected to apply their own sunscreen. For our youngest pupils in Nursery and Reception, we ask that sunscreen is applied at home before school, and staff will help to reapply it when needed.

If a child requires support from staff with applying sunscreen, it will only be applied to exposed areas such as the face, neck, arms, hands and lower legs. Parents should provide clear written instructions if this support is needed.

You can also help by encouraging your child to bring and wear a sun hat and, where possible, clothing that helps protect their skin during outdoor learning, playtimes and school trips.

## 🏆 Out-of-School Achievements

Bea had her final session at Brownies this week and received her Gold badge. This means she completed all the theme badges available. She's worked really hard in her spare time to complete these, which has included fundraising through toy sales, baking, learning about inventors and lots of crafting. She's really excited to start at Guides after half-term

Nicholas and Leo had their Ripon Panthers awards day on Saturday. They were very successful with both receiving a trophy and a medal. Nicholas got the "Golden Boot" trophy for most goals of the season in his team (U9's Reds) and Leo got "Most improved" in his U7's team.

We'd love to celebrate your child's successes outside school!
