Emotion Coaching

Emotion Coaching is a way of helping children understand and manage their feelings. When a child is upset or struggling, adults use empathy to connect with them and help them calm down. Once the child is feeling more settled, they can talk through what happened and learn better ways to respond next time.

It's not about excusing poor behaviour but about using emotional moments as opportunities to teach and support children in a positive, respectful way.

Netball Festival

On Tuesday, ten of our Year 5 and 6 girls took part in the Sporting Influence Netball Tournament at Outwood, Ripon. We are thrilled to announce that they won!

The girls showed fantastic teamwork, determination, and sportsmanship throughout the event. A huge thank you to Mrs Wooton for her brilliant coaching and support.

Well done to everyone involved — we are incredibly proud of you!

Marrick

This week, our Year 3 and 4 pupils enjoyed a fantastic three-day residential at Marrick Priory, packed with outdoor adventure and team challenges. Activities included team building, canoeing, climbing, abseiling, archery, and orienteering.

It was a brilliant experience for everyone involved, and the children showed great enthusiasm, resilience, and teamwork throughout.

Menu Change

To celebrate Bonfire Night, we'll be serving a special themed lunch on Wednesday 5th November. The menu will include Banger in a Bun (Hot Dog), Cheese Whirl, Firecracker Wedges, Jacket Potato with Cheese, and Toffee Apple Brownie.

Lost Property Reminder: Please Check School Items

We kindly ask all parents and carers to check their children's belongings, especially school jumpers, as several have gone missing recently. Many of these jumpers are clearly labelled with names, so please take a moment to check at home in case your child has picked up someone else's by mistake.

In addition, please check for any trainers, water bottles, and PE kits that may have been misplaced or taken home in error. Ensuring all items are clearly labelled helps us return them quickly to their rightful owners.

Free Online Parenting Courses for North Yorkshire Families

We're excited to share a fantastic opportunity for all families in North Yorkshire! The In Our Place website offers a range of free online parenting courses designed to support families at every stage of their journey — from pregnancy through to the teenage years.

Thanks to funding from North Yorkshire Council, these courses are completely free for all families in the area. Simply visit inourplace.co.uk and use the access code NYFAMILIES when signing up.

Courses include:

- Understanding your baby
- Understanding your child
- Understanding your teenager's brain
- Supporting your child's mental health

These resources are a great way to build confidence, strengthen family relationships, and gain practical tips for everyday parenting challenges.

Take advantage of this valuable support — it's free, flexible, and designed with families in mind!

Free Online Course: Unlocking Autism & SEMH Support

North Yorkshire families can now access free online courses designed to help parents and carers better understand and support children with:

- Autism and communication needs
- Attention, impulsivity, and hyperactivity
- Social, emotional, and mental health challenges

These sessions are delivered via Microsoft Teams and offer practical strategies to support your child at home.

🏆 Out-of-School Achievements

We'd love to celebrate your child's successes outside school!

📧 Please send photos and details to: admin@sharow.northyorks.sch.uk

We're delighted to share some fantastic news from Austyn! Over the weekend, he proudly earned his Stage 1 swimming certificate and his 5-metre award. What makes this achievement even more special is that Austyn has only just started swimming lessons — what an amazing start!
