Christmas Baubles

Thank you to Nigel and Tracey Baldwin for once again giving our school such a beautiful Christmas tree from Tate's nursery.

Now that the tree is up, we would like to invite each child in school to hang a bauble on the tree. The baubles could even have the child's name on so that we can remember them every year when we redecorate. The baubles must be shatterproof and weatherproof. Please supervise your children when they are hanging them on the tree.

Christmas Cards

There is no onus to bring Christmas cards in and we recognise some families opt to donate to their chosen charity. For families that wish to exchange cards we will have the cream bin at the gate each morning from **Monday 11th December until Wednesday 20th December**. The full name and class of the recipient must be on the envelope. The cards will be sorted and distributed Thursday 21st December to take home.

Video release

We are very proud to share our new video of the school. It can be found on the school website and also on our [Facebook](#) Please share far and wide.

FOSS Non Uniform Day 22nd December

FOSS have organised a non-uniform day for Friday 22nd December. Children can come dressed in their own clothes on this day with donations going to FOSS.

These are going to be held at the end of each term. We felt this would make sure that everyone knew when it would take place.

STEM Career

Would you like to come into school to talk about your job to the children in one of our classes? As part of our science curriculum we want to make the children more aware of the real-life applications of science. We want to show that many people in our school community use science as part of their career or for a hobby; realising that not all scientists wear white coats. Please complete the [form](#) below if you or someone you know are interested in sharing your experience with us.

We look forward to hearing from you and learning all about your world of work!

### **Parenting Apart**

Whether you are separated or together, experiencing conflict is a normal element of all relationships. We understand that separation or divorce is one of the hardest things you will go through – and when there is a child/ren involved we know this can become more challenging.

Parenting Apart helps and supports parents when they need it most. Their specialist support is designed to improve and repair communication between parents where it is has broken down.
