Bath Class Play

The performance of Mary Poppins was outstanding! The children confidently delivered their lines, knew exactly where they needed to be, and their talents shone through. The pride and enjoyment in what they were doing was evident. Thank you to all those who contributed to making this the success it was: parents, volunteers and staff; in particular Mrs Curzon and Miss Copperthwaite.

Over £100 was kindly given by the audience and will be used to fund next year's performance.

Information for Parents

Redeem your vouchers for free holiday activities this summer

We have issued vouchers to all families whose children are eligible for free places on FEAST activities this summer. You should have received this via email or text, from a platform called Holiday Activities. Follow the link in that email/text to redeem your voucher and request your child's place on some of the fantastic activities on offer across North Yorkshire.

Please note that an activity showing a waiting list does not always mean that an activity is full. To help ensure as many families as possible get to take part in FEAST, most activity providers will open a waiting list for all booking requests before confirming places. Please request a place and you will receive an email/text notification from Holiday Activities if your place is confirmed.

If you believe your child is eligible and you have not yet received your voucher, or you have lost it, please contact the school office.

To learn more about FEAST, and for information on activities, eligibility and how to manage your bookings, [visit the website](#). For a step-by-step guide on how to redeem your vouchers and book a place using HolidayActivities, [watch this video](#).

Summer Reading Challenge

Libraries across North Yorkshire are getting creative with this year's Summer Reading Challenge Marvellous Makers which is themed around creativity. The Summer Reading Challenge is aimed at children aged 4-11, encouraging them to keep reading and enjoying books throughout the summer. Children can sign up at any North Yorkshire library from 13th July and will receive their collector's folder to get them started. There are stickers to collect along the way and children complete the challenge by reading at least 6 books by 7th September. All children who complete Marvellous Makers will be awarded a medal and a certificate. It's FREE to join your local library and FREE to sign up for Marvellous Makers. And look out for loads of fantastic events for children and families happening in our libraries throughout the summer holidays.
