Walker to School Days

We are proud to be only one of two schools in Ripon to have been awarded the Gold Award for taking part in the 2023-2024 Ripon Walker to School Days. The award was presented to Mrs Morgan, who is a keen advocate of walking to and from school. This was presented by Dean John from Ripon Cathedral.

Information for Parents

Redeem your vouchers for free holiday activities this summer

We have issued vouchers to all families whose children are eligible for free places on FEAST activities this summer. You should have received this via email or text, from a platform called Holiday Activities. Follow the link in that email/text to redeem your voucher and request your child's place on some of the fantastic activities on offer across North Yorkshire.

Please note that an activity showing a waiting list does not always mean that an activity is full. To help ensure as many families as possible get to take part in FEAST, most activity providers will open a waiting list for all booking requests before confirming places. Please request a place and you will receive an email/text notification from Holiday Activities if your place is confirmed.

If you believe your child is eligible and you have not yet received your voucher, or you have lost it, please contact the school office.

To learn more about FEAST, and for information on activities, eligibility and how to manage your bookings, [visit the website](#). For a step-by-step guide on how to redeem your vouchers and book a place using HolidayActivities, [watch this video](#).

Summer Reading Challenge

Libraries across North Yorkshire are getting creative with this year's Summer Reading Challenge Marvellous Makers which is themed around creativity. The Summer Reading Challenge is aimed at children aged 4-11, encouraging them to keep reading and enjoying books throughout the summer. Children can sign up at any North Yorkshire library from 13th July and will receive their collector's folder to get them started. There are stickers to collect along the way and children complete the challenge by reading at least 6 books by 7th September. All children who complete Marvellous Makers will be awarded a medal and a certificate. It's FREE to join your local library and FREE to sign up for Marvellous Makers. And look out for loads of fantastic events for children and families happening in our libraries throughout the summer holidays.

Outdoor learning – school holiday activities: ready for an action-packed summer in the great outdoors?

North Yorkshire Outdoor Learning Service have been busy planning an exciting and inspiring range of experiences to get young people and their families active and in touch with nature over the school holidays. Get ready for an outdoor experience like no other!

Adventure Club will keep your young people busy with activities that could include climbing, caving, high ropes, river scrambling and water sports such as canoeing and sailing. There are also Family Activity Days where everyone gets a go! You could even get out on the water with friends and family for a Pay and Play canoeing session. Or if your young person wants to sail the seven seas, a two day accredited RYA Youth Sail course might be just the thing. There's something for everyone.
