### Art Competition

Art engages creativity, expression and imagination. Sharing of a piece of artwork can truly express a freedom of individuals' own voice.

Here at Sharow we are launching an exciting art competition for all pupils in our school. The winning entries will be judged in school and then sent to the Royal Academy of Arts in London. Then, your artwork will be viewed and judged by a panel of experienced and passionate artists and arts professionals and the selected pieces will be shown in their online exhibition. Some of the artworks will also be shown at the Royal Academy of Arts. The judges are looking for imagination, originality and skill.

How to enter:

1. Each student can submit one piece of artwork and there is **no theme**.
2. Send your completed artwork into school.
3. Provide some information about the piece such as title, size, and a little text about the artwork and why you made it.
4. The artwork can be made using any material; it can be a painting, sculpture, photograph, installation, video, drawing, or a combination.
5. Remember, judges are looking for imagination, originality and skill.
6. **Entries need to be returned to school by 20<sup>th</sup> March 2024. Entries submitted after this date will not be entered.**

### Piano Concert

There will be a piano concert on Monday 18<sup>th</sup> at 2.45pm. All the children in school who play the piano are invited to take part and you are all welcome to join us to enjoy their performances. ### **Bath Class.**

We have been working hard digging and trying to attract a variety of wildlife.

We have been weeding and Arthur made a great sign to keep people from treading on the newly planted bulbs.

### **Donation Request**

We would also like to request donations of wildflower seeds, bulbs & compost for the children to plant the forest school garden – all donations would be gratefully received. Thank you!

### **School Facebook Page**

Did you know we have a [Facebook page](#)? Please follow us on social media & take a look to see what the children have been up to!

### **Parent and Carer Information Sessions**

Recent sessions providing information about the curriculum and how you can support your children at home have not been well attended.

We really value your feedback and would love to know how we can best support you with this aspect of your child's home life. Please would you take a couple of minutes to give your views by completing this survey: <https://forms.office.com/e/guH54jc6sJ>

## **Information for Parents**

### **Working together for positive change for parent carers**

Welcome to Parent Carer Voice North Yorkshire. We are the recognised parent carer forum for the region. Our vision is to inform, empower and represent the collective voice of families with children and young people with SEND across North Yorkshire.

Here you will find support from other parent carers, useful information and links, events and training which we hope will help inform and support your journey through the SEND services and beyond.

"We have successfully recruited Parent Participation Officers for different localities within North Yorkshire. Their role will enable us to offer support in a more accessible way and ensure that we are able to gain feedback from a wider range of Parent Carers. We will then be able to use our voice to communicate the needs within your communities."
