Flourish Awards

Jem for intelligent and thought-provoking ideas.

Kieran for dedication and enthusiasm to learning. Staying in to do more maths work!

Izzy for dedication and enthusiasm to learning. Staying in to do more maths work!

Thanks to Friends of Sharow School (FOSS) for our visualisers

A visualiser, which is also known as a document camera, is a tool that allows teachers to show any physical object to their pupils via a digital projector. The children can observe the teacher demonstrating text, images, artefacts, living things and even techniques like tying a bow.

These will be a great aid in our classrooms.

Parent Pay

We have been working hard to ensure that Parent Pay is accurate. Please can you get in touch if you believe that any errors remain.

Could your son or daughter be a Cathedral Chorister?

Dr Krippner, the Director of Music at Ripon Cathedral, will be visiting our school to talk to the children during an assembly about the Choristers of Ripon Cathedral and how to become a Cathedral Chorister. All interested children are invited to see Dr Krippner after the assembly for an informal audition. Being a chorister is an outstanding opportunity, so it is very much worth considering! Dr Krippner will visit us on Wednesday 22nd May. Meanwhile, do have a look at the Cathedral's chorister recruitment video: <https://youtu.be/9li3sNhDfFA>

Bag2school - next collection is Monday 10th June.

Bring your bags of unwanted / preloved clothes, shoes, bedding and soft toys to school for 9am. This is the easiest way to raise funds for our school without spending a penny.

Out of school achievements

Congratulations to Denny and Bibi, who entered classes at the Saving Yorkshire's Dogs event at the weekend.

Denny won 1st prize with his dog Bella for 'Best trick'

Both Bibi and Denny received rosettes for the 'Young handler' class they entered with their dogs Betsy and Bella.

If your child has any out of school achievements, we would love to hear about them. Send pictures and information to admin@sharow.n-yorks.sch.uk

Dogs and Children: Top tips to keep them safe and happy together

A Police Chief Inspector is warning families to remember that any dog can bite, after a 3-year-old was bitten in the face by his family's pet after trying to climb on the animal. "Children should never be unsupervised when with dogs, even family pets that you believe 'would never hurt' your children."

While we don't expect our own dog to bite, it's important to remember any dog can bite if they feel they have no other option.

That's why the child accident prevention trust have created free resources with bite-sized safety tips to share with the families you work with.

Lego Competition

Below is a fantastic competition to get your whole family working together, or in competition. We'd be very pleased if you could share your creations in the comments on our Facebook page too – underneath the competition post.

1st to 31st May 2024 Family Brick Challenge

See who can build the widest brick bridge that can hold a toy car, in 15 minutes. Have fun together!

To enter, post a photo of your family creations, together with the width of the bridges.

Email your photos, together with an adult's name, date of birth and postcode to:

MultiplyTeam@northyorks.gov.uk

Your support for your child's education is crucial to their progress. Please tell us if there are any adjustments we need to make to help you support your child, for example: letters in large font; letters in different languages; wheelchair access; explaining things over the phone; a discussion with a school colleague of the same gender.

Autism Central Drop-In

Ripon Coffee Morning

Do you have an autistic child (with or without diagnosis) and need support?

Autism Central coffee mornings are an opportunity for families and carers of autistic people to connect with each other and get advice and support from Autism Central staff.

This group is suitable for you if you have a family member who is diagnosed/going through the diagnostic process/has been identified as having a need relating to autism, ADHD, sensory processing difficulties, anxiety and social communication differences.
